

# ACKNOWLEDGEMENT

The satisfaction and euphoria that accompany the completion of a task would be incomplete without crediting the people who made it possible, whose constant guidance and encouragement crowned the efforts with success.

We would like to profoundly thank Management of Bangalore Institute of Technology for providing such a healthy environment for successful completion of Mini Project work.

We would like to express our thanks to the Principal **Dr. Aswath M.U.** for his Encouragement that motivates us for the successful completion of Mini Project work.

It gives us immense pleasure to thank **Dr. Jyothi D.G.**, Professor & Head, Department of Artificial Intelligence & Machine Learning for her constant support and encouragement.

We are most humbled to mention the enthusiastic influence provided by our guide **Prof. Shobha Y** for the ideas, time to time suggestions, constant support and co-operation showed during the venture and making this mini project a great success.

We extend our heartfelt thanks to the mini project coordinators **Prof. Shobha Y** and **Prof. Shruthibha A** for their dedicated efforts in organizing and overseeing the mini project activities. Their guidance and efficient coordination have been instrumental in ensuring the smooth progression and successful completion of our project.

We are very much pleased to express our sincere gratitude to the friendly co-operation showed by all the staff members of Artificial Intelligence and Machine Learning Department, BIT. We would also take this opportunity to thank our friends and family for their constant support and help.
